NEW - 9 months of dance!

Classes will continue after the recital through the entire month of May. Due to significant feedback, our school-year classes will spend the weeks leading up to recital exclusively on preparing for the show. After the recital, we have planned Celebration Week - a fun day with your teacher to discuss the recital performance, play games and more! The following week is Picture Week - come dressed in your recital costume for a professional photoshoot! The final week of class is an exciting opportunity to try another style - special evening classes will be held at each location. Styles will include Hip Hop, Lyrical, Musical Theater and more!

Mini Sessions for Younger Dancers!

Mini Sessions range 4-10 weeks and are offered to dancers that do not wish to commit to the full season. Classes include Tiny Tots, Fairytale Ballet, Mermaid Tumbling, Mini Hip Hop, and Imagination Music. Mini Sessions are a perfect chance to transition into a classroom setting and eventually into our school-year program.
