

KEHL SCHOOL OF DANCE MINI SESSIONS

SEASON 139

WELCOME TO MINI SESSION PROGRAMS

The perfect way to experience dance without long term commitment. Classes meet each week at the same time. We will send you a reminder email when it is time to sign up for the next session.

WHAT TO WEAR

It is important to “dress for success”, which means leotards (bodysuits) for girls, and tights to cover their legs. Athletic pants and a t-shirt for boys. Loose hair, jewelry and accessories can be a distraction for your young dancer in class. We do require proper dance shoes. Visit Kehl Dance Supply - located inside each studio, to find everything you need for class.

Fairytale Ballet

Leotards, tights, leather ballet shoes. Skirts that are attached to the leotard may be a problem for the costumes we will wear during class, so we do not recommend them.

Tiny Tots

We carry dancewear and ballet shoes to fit our littlest dancers! Tiny Tot dancers wear leotards, tights and ballet shoes (boys - stretchy clothing and ballet shoes/socks).

Mermaid Tumbling

Leotards (bodysuits) are needed for safety and ease of movement. Leggings are optional. Children need bare feet. Mermaid tails are provided!

Imagination Music

Dance clothing is recommended, but children may wear any type of comfortable clothing. Socks or dance shoes are also recommended.

Mini Hip Hop

We encourage dancers to wear a leotard and tights, or legging/ athletic pants to protect against floor burns. We carry super-cute hip hop shoes in our supply store. All types of dance shoes are acceptable.

PARENT VIEWING

Parents may view classes from our lobby. We keep the door closed to help us manage the classroom. Occasionally, parents will be invited in to the studio to watch a new skill or record choreography. We ask that street shoes are removed and left at the door.

COMMUNICATION

We communicate important information and reminders to our families mainly through emails. Be sure to let us know if your email changes and add dance@kehlidance.com to your address book.

MISSING A CLASS?

If you are unable to attend a regularly scheduled class due to illness or family event, we will do our best to find an appropriate make-up class. Please call the studio to arrange a make-up class.

NOT LOVING THE CLASS?

Not every child is as ready as we are. Children often complain about leaving the house to test boundaries and our patience. Our instructors are as patient as you need them to be, and are skilled at creating a safe, fun, inviting atmosphere. However, if your child is not loving a class, please call Mindy at 608.819.6501 to explore other options. Credits may be available if you wish to wait a little longer until your child is ready. Tuition is non-refundable.

CLASS CANCELLATION

In the event of bad weather, check kehlidance.com for closings.

WE LOOK FORWARD TO DANCING WITH YOU!
